Photography competition

Photos that reflect the activities and everything surrounding the killi-world. The presentation deadline is March 25. The best photograph of the exhibition will be awarded.

Any adult who is a member of any killifish association can participate, presenting a limit of up to 3 photos without any signature, name or author identification.
The photos must be sent, by e-mail, to **sek2018@killis.es**

The photo size will be 20x30 cm, color, either horizontal or vertical, in digital format. The maximum size allowed for each photo is 5 MB. We recommend a minimum digital resolution of 300 ppp and RGB mode.

The pictures must be original and exclusive to the author and they must never have been awarded at any photography competition, as well as be free from copyrights. Photomontages or digitally altered pictures will not be allowed (except for the effects of photographic development).
The photographs will become property of the SEK, which will be allowed to use, reproduce, exhibit or spread them, mentioning the author.

You must send the photos as an attachment, by e-mail, using a text file with:

- Title of each photo, linked to the name of the corresponding file.
- Brief explanation of each photo. It's recommended to mention if the picture is vertical or horizontal, and any other information to facilitate to the proper exhibition of the photo.
- Author information: name, association, country and e-mail address.
